Honoree Pat Norton

Pat has lived in the Hauppauge/Smithtown area for 20 years and runs his many businesses right in the Hauppauge business park, which allows him to contribute to this community. He has coached many times for intramural sports as well as be a part of countless fundraisers to help our schools. He currently lives in Smithtown with his wife Laurie and his four children.

Being friends with Bob and Angie Policastro through his children and sports, he learned of Angela's House. He didn't hesitate to support and donate. When Pat started Active Web Group, having 15 years of marketing experience, he had the idea to create a website for Angela's House, www.AngelasHouse.org. He thought it would be the perfect communication tool to help improve the online outreach. Pat couldn't be more pleased with the results and continues to work with Bob to make the website the best it can be.
