The Jake and Graham Memorial Golf Outing

Jake and Graham were two incredible children that were medically fragile and whose lives were cut short too soon. They have left a lasting impact and have inspired their families and others to support other chronically ill children in the community. This golf outing honors their lives by helping Angela's House fulfill the *Everyday Wishes* of our friends and neighbors that have children with life threatening illnesses.

About Angela's House

Angela's House offers programs and supports to families who need care for their medically frail children. Angela's House will coordinate services needed to safely care for these children at home. For children who cannot be cared for at home, Angela's House I, II and III are specially designed homes that provide a warm environment with 24-hour nursing care to accommodate the children's complex medical and physical needs. Monies fundraised by this event will go to fulfilling *Everyday Wishes* for medically fragile children such as medical supplies, equipment and other support services that cannot be funded through other means.
